IX. Successes / Challenges

1. Challenges:
 - a. Collaborative members are having troubling with social media representation. Many of the members are trying to spread the word about their platforms and encourage organizations to share resources and communicate online.
2. Successes:
 - a. Individuals in the community are beginning to relax and adjust the new normal. Collaborative members are observing the community becoming more confident, and comfortable which is reassuring. Their efforts are truly being seen and appreciated.

X. Public Comments

1. California Mentor
 - a. Family Support Services via Telehealth– Still taking referrals
 - b. Please contact tawny.weir@thementornetwork.com
